IN RE: Notice of denial of Iowa medical licensure

Dear Dr. Ghanta:

On October 7, 1993, the Iowa State Board of Medical Examiners considered your application for Iowa medical licensure. Following its review of the application, supporting documentation and other pertinent material and information, the Board voted to deny you licensure. The Board's action, taken pursuant to the provisions of section 147.4 of the 1993 Code of Iowa, was based upon:

1. In failing to disclose your termination from The Albany Medical College psychiatry resident program, Albany, New York, you did not fully and completely answer application question 14-E: "Have you ever been warned, censured by, or requested to withdraw from any hospital in which you have trained, been a staff member, or held hospital privileges?"

2. In failing to disclose your mental treatment from 1979-1980 and 1984 you did not fully and completely answer application question 14-O: "Are you now or have you ever been emotionally or mentally ill? Have you ever received psychotherapy? Have you ever been a patient (voluntarily or otherwise) in any institution for the treatment of mental illness, drug addiction or abuse, or alcohol problems?"

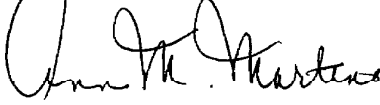

Pursuant to the provisions of 653 I.A.C. 11.34, you may appeal the Board's denial of licensure by serving a notice of appeal and request for hearing on the Board's executive director not more than thirty days from the date of this notice. A photocopy of the said rule is attached for your convenience.
